Caitlyn Jenner 
@Caitlyn_Jenner

...

Let's be very clear. The person is not a true trans. They are a sexually deviant perv who hangs around a female sorority watching women undress with a visible erection! He is a sexually and mentally disturbed person. He says if you call him out he will get the girls in trouble.

This is a terrible and beyond irresponsible example of trans in America. This is why I called it out.

I don't do this to women. Never have never will. I have no clue where the hypocrisy claims are coming from. I have tried to live with dignity and respect as a trans person.

And what do you have to back this up genius. Trans people are like everyone else and can be perverts. Just like you proved they can be narcissist egomaniac like everyone else. They failed by not immediately dealing with the accusations as if anyone was doing them.

Let's be totally clear: distinguishing between "true trans" and imitators is the No True Scotsman fallacy. If they say they're "trans," they're "trans"—just as if Bruce Jenner says he's a woman, he is a woman.
